

WE REMEMBER BROTHER TONOU-MBOBDA

On 21.04.2019, at UKE, Brother TONOU-MBOBDA suffered a racist, inhuman, brutal and deadly attack by the "Security" staff.

He was resuscitated after an hour and put into an artificial koma.

Today, Friday 26.04.2019, he has sadly died.

The Black Community of Hamburg support the family in this difficult time, and *remember Brother TONOU-MBOBDA.

Saturday, 2019-04-27 from 4-7pm we will gather for the last time in a prayer vigil.

Sunday, 2019-04-28 is exactly a week since the deadly attack occurred.

ON THIS DAY WE WILL GATHER AT THE SCENE OF THE CRIME AT 11AM

A place where our brother sought protection, but instead was brutally killed.
Bring your family and friends, as well as candles and flowers.

We want to prepare a worthy transition to our ancestors for our brother.
